

Dear New Vanpool Rider:

Thank you for your interest in the "It's a Good Day to Vanpool" long-distance commuter vanpool incentive program. This application is for the new rider three month start-up incentive designed to help fill empty seats in certain existing vanpools. If eligible for this incentive, you will be reimbursed up to \$300 over a three-month period based on your actual monthly costs to ride the vanpool.

A vanpool is a group of commuters who travel to work in a 7-15 passenger van. The vanpool must travel at least 20 miles one-way to work within the South Coast Air Quality Management District (AQMD) jurisdiction – all of Orange County, and the urban portions of Los Angeles, Riverside and San Bernardino counties. The driver serves as the contact for the group and each rider pays a monthly fee.

To find a vanpool in your area, contact one or all of the following:

- Your company's employee transportation coordinator
- Regional Rideshare Information at 1-800-COMMUTE or www.ridematch.info
- Enterprise Rideshare at 800/826-4967 or www.vanpool.com
- VPSI Commuter Vanpools at 800/826-7433 or www.rideone.com

This incentive program is funded by the Mobile Source Air Pollution Reduction Review Committee (MSRC), a multi-agency group that funds clean air projects. To qualify for this incentive, you must certify the following statements are true by initialing each statement:

- _____ I have joined an existing vanpool that is not receiving any public agency subsidy or funding
_____ The vanpool commutes to a worksite within the AQMD jurisdiction
_____ I will travel on the vanpool at least 20 miles one-way within the AQMD jurisdiction
_____ I have not been using a rideshare mode to commute to work during the last 90 days

Complete the following new rider information, and have the vanpool driver complete their section below. Mail or fax this completed application to the address below. Upon receipt, we will verify your eligibility and notify you if your application is approved. If approved, you will receive further instructions to request reimbursement over the three month period.
